### TOBACCO HEART.

Constant use of narcotics has a paralyzing effect upon the heart action. It is first noticeable through a dull, uneasy pain around the heart, accompanied with palpitation, shortness of breath, trembling, etc. You should stop the progress of the disease at once with Dr. Miles' Heart Cure. It strengthens and repairs the nerve tissues, and restores healthy heart action.

Persons of discrimination are always on the alert for quality—Rainier Beer was awarded gold medal at the Paris Exposition for purity, quality and excellence of flavor.

## GREAT ST. LOUIS WORLD'S FAIR

(Reduced Pen Sketch of Cover. Size of Page, 11x14 inches.)

SO THOROUGHLY does this Great Exposition represent the world's civilization that if all men's other works were, by some unspeakable catastrophe, blotted out, the record here established would afford a necessary standard for the re-establishment of our entire civilization. And, just as the Louisiana Purchase Exposition held within its gates an epitome of the civilization of to-day, so the Forest City Portfolios are a complete record and reflex of the great Exposition. This great World's Fair, one of the most remarkable undertakings in the history of American civilization and progress, will inspire many pens, but no history of the great event can compare with the one written on the grounds by Secretary Stevens and illustrated with 480 magnificent photographic reproductions, which transfer the Exposition to the printed page.
